Memorandum No. 36
MEMORANDUM FOR: [REDACTED]

25X1A9a

SUBJECT: Distribution of Maps to the CINCPAC War Room

1. M/Sgt. Michael Glenfriddo from the CINCPAC War Room was in Washington during the week of 7 March 1960. He placed a requirement on the Map Library to forward, on a continuing basis, two copies each of all Agency maps covering his areas of responsibility. The coverage desired is Egypt and all areas to the east through Asia from Pole to Pole including the Pacific Islands.

2. The Map Library desires to service this request by forwarding all classified materials [REDACTED]. An envelope, addressed to you, would be attached to each package destined for the War Room. The envelope would contain a note "For the CINCPAC War Room." Any package so designated could be forwarded by you without being opened and re-wrapped. 25X1A6a

3. Unclassified maps can be forwarded directly to a CINCPAC Post Office Box unless [REDACTED] desires otherwise. 25X1A6a

4. It is preferred, also, that additional copies of maps needed by CINCPAC be requested through [REDACTED]. 25X1A6a

5. If the above arrangements are satisfactory to [REDACTED], please let the Map Library know and inform M/Sgt. Glenfriddo of the channels through which he can expect service from us and where to place future requests for CIA maps. 25X1A6a
